

It's triple the fun
with your three emcees:
Sarah, Vincent, and Wilton!

An **online** HELTA Christmas party
that's so fun-filled it makes you
forget the year that was?
Well, we can't promise everything.
But with your help, we sure are
gonna try!

THE 1ST HELTA GAME NIGHT

So let us close out this year of ups and downs and downs and downs with a truly uplifting and joyful night of fun AND funny games together.

We'll have a ball. We'll all have a laugh. We'll all be goofy, doofy, and daft.

And there'll surely be a chug or two or three of piping hot mulled wine or whatever else your Christmas elves have stocked you up with. What's more, you don't even have to leave the confines of your "home office" while you're at it.

So c'mon and zoom right in. Hey, you might even be able to use some of these games in your classes!

This is a free event.
